Kelly,

There are a few conflicting emails circulating on this. I am going to check in with the source to find out what the actual dates are. I will get back to you shortly.

That takes a lot of my plate at the moment. Are you sure it is July 1<sup>st</sup>? I thought last week when Jannine and I met that it was June 1<sup>st</sup> so please let me know if that's not the case or if it is.

We are also making some corrections to the first and second quarter reports as requested. Will be working hard to get these done asap.

Please let me know which date it will be so I don't go overload.

Thanks

Kelly

Kelly,

I hope this message finds you well.

It is time to submit your cooperative agreement application for 2014. The deadline for our receipt to have them awarded by the end of the fiscal year is July 1, 2013.

For the FMC portion of the Cooperative Agreement, I expect that we will be spending the year reviewing the Remedial Design for remedy implementation. Please make sure to budget for that activity.

I have included last year's work plan and application for your reference.

Let me know if you have any questions or want to discuss the information further.
